Hi Walter,

Yesterday, I sent out the attached TSCA Section 4 Report to Congress and the action memos. I inadvertently left you and Anna Lowit off the initial distribution. My apologies for that. I asked folks to provide comments by this Friday, but if you need more time given the delayed delivery, that's fine. Based on the ADP tracker, we have a start for the final workgroup closure of April 19th, and a completion data of April 30th, so there is time.

Thank you,

Todd

All,

I attached the draft Report to Congress (12 pp), as required under Section 4(h)(2)(E) of TSCA. The report is intended to summarize EPA's progress with implanting the Strategic Plan developed under Section 4(h)(2)(A), and EPA's goals for future implementation of alternative test methods and strategies.

I also attached two action memos (2.5 pp each)

Ex. 5 Deliberative Process (DP)

If possible, please provide me with any edits/comments you have by Friday, April 2nd.

Thanks,

Todd
